
MACLEAY ST. BISTRO

HEALTH AND SAFETY INFORMATION STATEMENT

The health and safety of our customers and team are our priority

Steps to slow and reduce exposure to COVID-19

At Macleay St. Bistro we have implemented a number of additional, proactive health and safety measures to ensure we can continue to provide you with the best, and safest, experience possible and to minimise the risk of infection from Coronavirus disease (COVID-19).

SOCIAL DISTANCING

For safety reasons, our service team will now exercise “Zero Contact” that restricts any unnecessary physical contact with the customers. We would normally greet you with a handshake, hug or kiss, however staff during this period will refrain from making personal contact with customers.

HYGENE / PREVENTIVE MEASURES

All our kitchen and Service Team members practice rigorous hygiene and handling measures throughout their duration at the workplace. This includes regular handwashing or sanitisation of surfaces.

All our washroom/ bathroom surfaces, basins, taps, flush buttons, light switches and toilets are fully sanitised with methylated spirits prior to each service

Macleay St. Bistro will closely monitor the advice and recommendations from NSW Health authorities and ensure we are in the best position to minimize the spread of COVID-19.

DINE AT HOME/ MSB DINNER BOXES

If you prefer to dine at home, Macleay St. Bistro from Wednesday 18 March 2020, will provide dinner boxes, any items from our A La Carte or Specials Menu

From Friday 20 March, we are introducing a new dinner box, Beef Bourguignon with Paris Mash. These boxes are available from 5pm Tuesday to Sunday

Macleay St. Bistro is proud to serve the Potts Point dining community
